These things are good things... (Dr. Seuss)

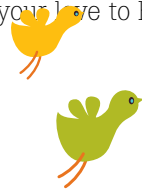

For God so loved the world that he gave his only Son... John 3:16

What does Valentine's day mean? It is a day set aside to tell our friends and family how much we like or love them. We show our love by giving them a special card or a treat. Do you think Jesus wants us to tell him how much we love Him? Yes, but He wants us to show Him by giving Him our heart.

God's word was given to us as a book of instruction to love one another. On this special day remember to show your love to EVERYONE!!

Happy Valentine's Day,

Sarah Davis
Preschool Director

Classroom Spotlight

Ms. Melissa and Ms. Mary's Cool Cat Classroom

Ms. Melissa and Ms. Mary's Cool Cat Classroom are always busy learning and having fun. This past month our favorite project had to be making our Frosty the Snow People. It was fun and messy. Our Snow People were made by mixing white paint and powder laundry soap. Lately we have been focusing on cutting. It is a hard skill to learn but an important one.

Our most adventurous cutting was last week when we made a three little pigs mobile. We look forward to next month when we will have more fun and adventures.

1. All the students in our class
2. Students making a train to help them travel to a fun place with snow
3. Bulletin board: Frosty the Snow people and Humpty Dumpty

Our Mission is to provide a safe, secure early childhood environment that fosters excellence, instills a love for active learning, and provides experiences that enable our children to acquire a foundation of skills for lifelong achievement and Christian Living.

Our Vision is to be a ministry of the United Methodist Church for the community that offers preschool children a quality early childhood alternative. We want to lay the foundation for life-long learning in a stimulating environment provided by caring, enthusiastic and nurturing parents, educators, administrators, and an involved congregation.

Our Purpose is to offer children a supportive learning environment that fosters positive self-esteem, self-discipline, personal responsibility, creativity and a love for active learning that serves as the foundation for ongoing and future academic success.
